Cello, Viol & Double Bass

Instrumental lessons at Southam College

Dear Parent/Guardian

Your child has expressed an interest in learning the cello/double bass at school. I am delighted to be able to provide lessons on both cello and double bass on Fridays in school. I am an experienced instrumental teacher with a 100% student pass rate for ABRSM and Trinity exams, and am a member of the European String Teachers' Association. I also have experience working with pupils with special needs, especially dyslexia and ASD.

Lessons are available either individually or shared with another pupil **if there is an appropriate match**. It is not helpful for any pupil to be matched with someone who is either more or less experienced, so a shared lesson may not always be available. If you would prefer your child to have a shared lesson they might like to find a friend to learn with. Absolute beginners are very welcome in at any age.

Due to current Covid-19 restriction, students will only be able to share a lesson if they are in the same year group.

Lessons are invoiced to be paid termly, in advance, by cheque or BACs. A full half term's notice is to be given should your son/daughter wish to stop having lessons. Any lessons missed by the teacher, Mary Mohan, will be refunded or deducted from the following term's invoice. Prices are based on a £36 hourly rate, and are worked out pro rata as follows:

	Individual	Shared
20 minutes	£12	£6
30 minutes	£18	£9
